MAKING THE MOST OF YOUR SPA EXPERIENCE

WHAT SHOULD I WEAR?

For your comfort during Spa Day treatments, we recommend wearing dry swimwear beneath your robe. Underwear must be worn at all times, and our therapists are trained to ensure your modesty is respected throughout your experience. Disposable briefs or boxers are available for your convenience.

Robes and towels are available for your relaxation in the spa lounge. Most packages include these at no extra cost. If they're not part of your purchase, you can rent them for £15 per person for the day.

For your safety and comfort, we strongly advise removing all jewellery while using the spa facilities or during treatments.

TREATMENT CONSULTATIONS

All treatments begin with a confidential and complimentary consultation, which is included in your treatment time. Please inform us of any allergies or medical concerns at the time of booking, so we can tailor your treatment accordingly. Certain treatments may not be suitable for some medical conditions; in these cases, your therapist will recommend an alternative treatment.

SELECTING THE RIGHT TREATMENT

Our carefully curated treatment menu is designed to pamper, relax, and rejuvenate. Should you need guidance in selecting the perfect treatments, our expert therapists are happy to offer personalised recommendations based on your needs and preferences.
